Aaron,

Thank you for the voicemail. I have left a message with the facility personnel to see what day during the first week of February works for a meeting. I will get back to you ASAP once I hear back from the facility personnel. Let's touch base tomorrow so we can get this scheduled.

Al,

Tentatively it appears Thursday the 16th of January from 1:00 – 3:00pm would work best for EPA with regard to the NOV meeting.

Other possible options could be:
1/14/2014 from 3:00 to 5:00pm or 1/17/2014 2:00 to 4:00pm

Please let me know which one of these works best for your folks. Also it would be helpful if you could send the list of Omak Wood Products staff with email addresses as we had agreed earlier this week.

Sincerely,
Aaron Lambert

Mr. Nicholson,

This email confirms Omak Wood Product's response to EPA for the NOV issued on December 27, 2013.

Per our telephone conversation earlier today.

Omak Wood Products LLC has requested a meeting with the EPA during the week of January 13th, 2014, to respond to the violations identified therein.

During our discussion you indicated the attendees representing Omak Wood Products LLC will only include OWP staff, in addition to a newly retained consultant.

As was discussed and also agreed, I will confer with EPA staff needed to attend this meeting after which, I will confirm via phone and email the date, time and any addition logistics that need to be lined up prior to the meeting.

Sincerely,
Aaron Lambert
